Dear Sir,

From previous correspondence exchanged with you, we have understood that you are interested in possible cooperation with our organisation.

With a view to preparing the 28th international vocational training competition which is being held in Osaka, Japan, in October, 1985, our member assembly and leading committees are meeting in Bern, Switzerland, during September, 1984.

As these meetings will provide an excellent opportunity to gain insight into the work and proceedings of our organisation and enable all queries to be answered personally, we are taking the liberty of sending you copy of the official programme.

Should you be interested in attending the meetings, kindly let us know before 30th June, 1984, in which case the agenda and relative documentation will be sent to you towards the end of July next.

The cost of organising these encounters is borne by our organisation whilst you are responsible for travelling + board and lodging expenses.

We look forward with interest to your reaction and remain,

yours faithfully,
