SKILLS PASSPORT

“WorldSkills is a powerful means for building a global skills respect culture. It enables the best of the world’s young skilled people to motivate and inspire successive generations to see that vocational skills can lead to secure and fulfilling lives in a fast-changing, competitive world.”

- Jack Dusseldorp
President of WorldSkills

This is your official WorldSkills Calgary 2009 Passport!

Use this passport to answer questions and keep a record of your personal experience while travelling to:

- Skills Ambassador Stations
- Global Skills Village
- Skill City
- Alberta House
- Canada House

For each correct answer you will receive a stamp from a Passport Official.

Six stamps qualify you to win two 32" Samsung TVs, one for yourself and one for your school.

12 stamps qualify you to win a 32" inch Samsung TV and an Xbox 360 for yourself.

To qualify for the draws, **tear out** your entry form at the back of the passport. Drop off the form when leaving the launch pads at the end of the day.

Skills Alberta

Would you like to compete at a future WorldSkills Competition?

Search Skills Canada Alberta on Facebook and join our group to receive important information to be part of future Skills Canada Competitions! Also visit skillsalberta.com for more information.

As the Canadian Member Organization to WorldSkills International, Skills/Compétences Canada selects and prepares individuals to be part of Team Canada and compete at WorldSkills Competitions.

You can begin your Skills Canada journey through Regional Skills Canada Competitions hosted in high schools and technical institutes in Calgary, Edmonton, Fairview, Fort McMurray, Lac La Biche, Lethbridge, Medicine Hat, and Red Deer.

The annual Provincial Skills Competitions brings together Alberta's finest high school, post-secondary students and select individuals to represent the province at the annual Canadian Skills Competition.

Every two years Team Canada is selected at the Canadian Skills Competition. That is where Team Canada begins their experience of a lifetime as they train with experts and have the opportunity to travel across Canada and the world.
