Dear Mr. Sommer,

Thank you indeed for the material you have sent me on XXVII International Vocational Training Competitions held last year in Linz, Austria which is interesting.

However I am missing your letter and am therefore writing again to enquire the procedure for admitting India as a member country. If you have any formal application form please favour me with a copy and oblige.

At the same time kindly also advise if I could attend your next competition to be held in October - November 1985 as an observer or guest.

Please be so kind and give me the address of Mr. Shigeru Eda so that I may get in touch with him in this connection.

Best regards and good wishes.

Yours truly,

( Dr. ) K. K. Roy
