Dear Roberto,
Enclosed please find some
of the information you requested.

1963
3 photos of the event and a short
description.

Logo and other information

A synthesis of the Educational System

Note the Vocational Training System and the
Education System level interwoven
together.

I recommend that you use the diagram
attached only and use the text over
two pages.

1979 I have failed to date to obtain
photographs. The Pope arrived in Ireland
in 1979 at the same time as the competition
and the newspapers gave maximum coverage
to the Pope and not the competition.

Kindest Regards

Liam Bolestan
