Dear Archie

I know that Mr. Woodbine Parish will also be writing but I felt that I must send you a personal letter of thanks for all the great assistance you gave to me during the past fortnight in Madrid. It really was of very great comfort to me to know that the welfare of the team was in your safe hands and I feel sure that their general good health and good behaviour is entirely due to your personal example.

I am sorry that we did not manage to achieve more medals, but I very much hope that the experience of Madrid will not prevent you from doing battle in Switzerland next year.

Yours.
