Dear Mr. Sharkie,

Thank you very much for writing to me about Brian Jackson. I have passed on your good wishes to him. It was gratifying to receive such a good account of his conduct during the Competition. It was, of course, disappointing that he did not win a prize in Electrician's work but, nevertheless, we are all very proud that he was chosen to represent the United Kingdom as this in itself was a great achievement.

I think that the team did very well to win four Gold and five Silver Medals, and send you my congratulations.

Yours sincerely,

Manager.
