Dear Archie,

Hope you are well and arrived home O.K. I can't say thank you enough for all the help you gave to me out in Australia because if it hadn't been for you I wouldn't have done so well as I did. But I must say the medal was a nice bonus, what really made the trip was just being part of a team that competed for the country. It was a honour to be part of everything that happened especially to meet you.

Good luck and all the best in the future and hope to see you at Birmingham.

Your definitely on my christmas card list!

Ian
