Dear Liam,

Please find enclosed a letter from the Director of the Vocational Training Council in New Zealand.

May I suggest that you would send him information on the International Apprentice Competition (World Skills Olympics). There seems to be a possibility that New Zealand and Australia would be interested in participating. In your capacity as a member of the Council you would be in a position to provide the necessary information and guidance.

Kindest regards.

Yours sincerely,

JIM ROCHE,
PRINCIPAL.
