Dear Sir

I have just been informed that your employee, Gary Taylor has won a Silver Medal at the International Youth Skill Olympics in Sydney.

I am absolutely delighted for Gary, such an award is not to be taken lightly as I am sure you will appreciate.

I must also congratulate you as his employer; no doubt your time and encouragement went some way to help him. Let's hope you and Gary will reap the rewards of such concentrated efforts.

Yours sincerely

DONALD THOMPSON MP.
