Dear Johns,

I am very pleased to be able to give you the British Organising Committee's and my own sincere congratulations on being selected to be a member of the 1965 British Team in this Competition.

You will already know that this is the first year in the history of the Competition in which the United Kingdom has been the host country, and although this means you will not have the pleasure of a journey abroad on this occasion, I feel sure you will feel the responsibility which we all have, to do particularly well when the Competition is in this country.

There will be a first meeting of the British Team over the weekend of June 19th/20th and I shall look forward to meeting you then.

Yours sincerely

Robin Bullough
for Secretary,
British Organising Committee
