Dear Mr. Sommer,

Thank you very much for your letter 30th Nov. 1983.

The 1984 contribution from Republic of China will be settled by your notice direct to our National Committee. Therefore I hope you could give me 359 000 pts in any other currency when you come to Taipei if possible. This is only because of accounting procedure. I hope it wouldn't cause any inconvenient for you.

I am trying to get enough fund for round trip airtickets for you four, President, 2nd Vice President, S.G. & one interpreter (Mrs. Galeazzi) and local accommodations. I'll keep you well informed.

With best regards,

Sincerely yours,

Wang Sze-Cheh
President
