Director

December 31, 1984

Mr. Rene Gonthier
President, Technical Committee
Ecole Technique
CH1450 STE-CROIX (Switzerland)

Dear Mr. Gonthier:

The USA supports the trades of "Agricultural Machinery Mechanics" and "Metal Construction" for international competitions. However, we would not have a competitor in either trade for the 1985 competitions in Japan nor in the immediate future.

Thank you.

Sincerely,

Alvin Wilbanks
