Dear Daniel,

I hope you drove home safely from Amsterdam.
I have been asked by my Chief Inspector to ask you to
change my address on the Technical Delegate list.
He wants the Department of Education to be mentioned so
that their role is clearly seen.

The recommended script is as follows.

IRL Liam CORCORAN Inspector Department of Education

"Grace Dieu" Rathcolman IRL-Mullingar, Co. Westmeath Ireland.

I look forward to a good, well organised competition
in Amsterdam and I assure you of my assistance in achieving
that aim.

Kindest regards,
Liam Corcoran.

Irish Greetings to Erika.
