TALENTED Brighouse hairdresser Gary Taylor receives a cheque for £150 from Mr Nick Gripton, of Clynel, the company sponsoring him on his chance-in-a-lifetime trip to next year's Skills Olympics in Australia.

Gary (18), the fourth generation of the family hairdressing business, Ed Taylor's, in Park Street, was chosen to represent Great Britain in the prestigious event next February.

And he's certainly hoping that

his men's hairdressing skills will keep him ahead of rivals from all over the world and put him in line for a medal.

Gary, of Slead Avenue, was chosen for the trip "down under" after beating hairdressers from all over the country in a series of elimination competitions which took place earlier this year.
