Note:

All participating Countries are listed, ranked according to their Average IIC Standard Score.

NOTE: These Final Results tables list horizontally, by means of their code designations, all possible Countries which could be involved in a competition. Competitions are listed vertically by number and name.

A cell entry indicates that a Country has participated in a Competition and contains the BIC Standard Score (3 digits), sometimes followed by a character:

- G meaning that a GOLD medal was awarded,
- S meaning that a SILVER medal was awarded,
- B meaning that a BRONZE medal was awarded,
- D meaning that a DIPLOMA was awarded.

A row without entries means that there were no competitors for that Competition. A column without entries means that the concerning Country did not participate in any competition.
