*My dear Archie,*

I write to thank you once again for the superb contribution made by both you and Martin towards the overall success of our team in Taiwan.

We were all agreed, I know, on the outstanding quality of this year's team as a whole - as individuals also, they supported each other and both of you without question. None of this, in my view, would necessarily have happened if you had not both 'managed' them so well both at the NTA ceremony and at Bircham Newton let alone during the international event. Well done and thank you, both from myself and from all UK Skills staff. The Board will, of course, be informed of your excellent work at its meeting in mid-September.

I look forward to receiving your report in due course and hope that you will be able to have some well-earned rest.

*See you soon at the Tom  
Howard Competition,  
Very best wishes,  
PJ*

Chief Executive: Patricia Snell
