Dear Mrs Hill

ack. 14/1/64

I am writing to congratulate you
on your well deserved honour. we were
delighted to see your hard work had
been recognised.

we are having a very pleasant time
here, the weather has been very fine and
mild, a great contrast to what you
have been having in England.

I hope all is going well with you.

Our kind regards to Mrs Hill and Eileen
all the best in the new year

Yours sincerely

J. Martin
