

Top notch!

Tina Silk and Wayne Hill are a cut above the rest after winning the Under 21 Skill Olympics at a top London hair salon.

And now the pair are in for a hair raising experience when they represent Britain in the World championships in Taiwan next year.

19-year-old Tina of Combe Avenue, Portishead, has worked at the Portishead branch of Robert John for four years.

And 21-year-old Wayne of Henley Park, Yatton works at the salon's Yatton branch.

"It will mean brushing up on our skills between now and July" said Wayne.
