

Dear world Skills Participating country, Spain.  
Welcome to NUMAZU!

Hello. My name is Sayaka Suzuki.  
I am a Daini junior high school student.  
Numazu sees Mt. Fuji, and there are a lot of special product things. Please eat tea, the string, and the mandarin orange, etc. When it comes to Numazu by all means. When I also go to Spain occasionally, I think that it wants to govern in the photograph because it sees a lot of sceneries. It is to take a lot of famous sceneries in the world, and my dream went to see the place of cathedral of town in the place named El Escorial of "Madrid" of Spain and "Barcelona" actually some time. "Universal International Vocational Training Competition international game" starts finally on November 7. We have it to assist in representative Spain hard. Please hold out.

I'm looking forward to seeing you!

## Dear world Skills Participating Country, Spain.

### Welcome to Numazu!

Hello. My name is Masami Suzuki. I'm a student at the Numazu Daini Junior High School.

Top of Japan high Mt. Fuji is seen from Numazu and the production of the dried fish and tea is active.

I was suprised because there were a lot cultures in Japan winthout when searching for Spain. Rice that is the staple food Japan is made soup, it eats, there is a tomato festival, and I see.

I want to say to Spain some time.

You in Spain, please.. International Vocational Training Competition.. hold out.

### I'm looking forward to seeing you!

## Dear world Skills Participating country, Spain. Welcome to NUMAZU!

Hello. I am Shiori Maeda of the second Numazu  
municipal junior high school. The highest  
mountain Mt. Fuji in Japan is see from  
Numazu City. Also excluding this there are a  
lot of special product things, and is a  
so on of the mandarin orange and the tea  
string. Please eat by all means when you come  
to Numazu.

Spain was examined at the school. The culture  
and food differed and were surprised at Japan  
and Spain at all, too. It examined and I wanted  
to go to Spain some time.

Please hold out by the skill five wheels.

It assists.

**Dear world Skills** 

**Participating country, Spain.**

**Welcome to NUMAZU!**

Hello you in Spain.  
I am Mayu Ishino of the second Numazu municipal junior high school.  
This time, it will asset in Spain the same as hope, and it thinks two inside to be a very glad.

Mt. Fuji is seen from the fourth floor, and the school is two where the view is good.  
Moreover, there is pine woods in the direction of the west, and Sarughi bay has extended to the other side.

It is easy for Numazu to include the special product thing etc. abundantly, and to spend to climate very much elemently.

It examines it all to know the thing of Spain even a little now. The difference etc. of the culture with Japan more understood well, and the interest was caught especially about the thing of the dish.

Two inside assists in Spain. Regret must held out.

**I'm looking forward to seeing you!**
