Mr D Sommer
Secretary General
IVTO
Postfach 360
CH-8053, Zurich
SWITZERLAND

Dear Mr Sommer

SKILLS OLYMPICS

I am writing to let you know that a Mr Bill Reed from Auckland, New Zealand, is proposing to visit you to discuss about N.Z. possibly becoming a member of I.V.T.O. I have given him your name and address to make contact with you.

Mr Reed will be representing the Instrument and Control Society during his visit overseas.

I have been writing to Mr Tjerk Dusseldorp, Executive Director of the Work Skill Australia programme who has sent details to myself and a few others in N.Z. about the Skills Olympics.

Over the past 18 months I have been sounding out various organisations seeking their interest and possible support. Initially it was slow, however momentum is growing and I am hopeful we will see substantial progress by the end of 1984.

I would be interested to receive particulars covering membership fees and other general information relating to I.V.T.O. - thank you.

Yours sincerely

Vaughan Crimmins
