President District Scout President 1987

on proposing "Europe a better place for
a number of various youth activities in Britain,
Stephen Craft Workshop.

a M. Hill took an interest in, and had been re-
lating to him, being accepted, the Hill family
to Madrid, this was November 1957.

Cardiff, appreciate to give
G. Henry, Fran

was impressed by the competition & the international
interest in British interests. This in the years following
and various studies and the British & American
and costs were considerable & with time
the City & the
the report, thus he was able to contain the
