UK Alumni

Our Alumni Network

WorldSkills, UK Alumni is an exclusive group of former UK competitors from the WorldSkills Competition who embody the vision of vocational excellence. They are highly skilled, dynamic and mature individuals who have undergone a transformational experience by competing at a global level. Whether they competed at the WorldSkills competition at the WorldSkills Competition in 2009 or 1991, each has a story to tell that personifies the gains to be made by investing in high quality skills, training and development.
