Dear Mr Sharkie -

I am writing to you on my own behalf and that of the Scottish Advisory Committee of the International Apprentice Competition to thank you for all you did to ensure that all went well at Wolfson Hall.

If you heard the praise which has been passed on to me, you could not but blush!. In a few words - "The great success achieved at the Hostel was due to Mr. Sharkie".

I am most grateful to you and it is indeed good to know that our visitors went away feeling so pleased with all that had been done for them at the hostel.

*Yours sincerely,
Strathclyde*
