SEOUL METROPOLITAN
GOVERNMENT

Greetings

Experience our bright future unfolding at the 2001 Seoul 36th WorldSkills Competition!

The festival for the skilled technicians, the 36th WorldSkills Competition is now about to be begin, thanks to the hard work and efforts put in by a lot of people and staff members.

The Organization Committee has prepared the competition to unfold under the motto of harmony, youth, progress, ambition and friendship which will empower the skilled youths of the world to have definite vision and dreams for the 21st century.

The 36th WorldSkills Competition will play its role as laying the foundation for the development of the new technological development of the 21st century. We invite you to share with us the enthusiastic moment where the most advanced technology and skills will unfold by the skilled technicians of the world.

Thank you.

Chairman
Organization Committee
2001 Seoul 36th WorldSkills Competition

A handwritten signature in black ink, reading "Chwon Seon-Do". The signature is stylized and fluid, written in a cursive-like script.

Official Emblem/Mascot

Hands opening the 21st century

Official emblem and poster of the 36th WorldSkills Competition

A traditional emblem of Korea, Tae-Guk, and a human hand which is easily associated with skills and techniques configures this official emblem. The basic unit of Tae-Guk is expressed in a vivid touch to notify the traditional culture and skills of Korea. Around the symbol of Tae-Guk, five colors representing skilled persons from five oceans are gathering. Each color used in the symbol has a meaning: yellow stands for harmony, green for youth, blue for advance, red for ambition, orange for friendship.

Ginny

Official mascot of the 36th WorldSkills Competition

Ginny means someone who is adroit and professional in his field in Korean, which truly represents the role model of the 21st century which can also be implied to the skilled technicians around the world. Ginny's face is subdivided into the sun and moon which signifies the potential of the skilled people and through his open hands he expresses our bright future through the successful hosting of the 36th WorldSkills Competition.
