SHELL CENTRE

LONDON

SEI 7NA

9th July 1984

Dear Herr Sommer,

Thank you for your letter dated 5th June and for sending me the programme of your meeting in September.

I do not know if I shall be able to attend this meeting because I shall be returning from a short holiday in September but if there is any possibility of meeting you in London this month I would be very glad to discuss the forthcoming competition in Japan.

Yours sincerely,

F. B. Dugdale
