INTERNATIONAL APPRENTICE COMPETITION.

Dear *Johns*,

We like all the members of the British Team in the International Apprentice Competition to wear a standard uniform and I am therefore enclosing a letter which you should take to your nearest Branch of Morague Burton Ltd. and show to the Manager who will measure you up for a blazer and pair of trousers.

I would be most grateful if you could do this fairly soon as these clothes may take a short time to make up. The cost of the uniform will of course be met by the Institute.

Yours sincerely,

Robin Bullock

for Secretary,
BRITISH ORGANISING COMMITTEE.
