Dear Mr. Sharkie,

## International Apprentices Competition

Mr. Woodbine Parish is writing to you officially in his capacity as Chairman of the United Kingdom Committee, offering you the post of British Team Leader for the coming Competition.

Needless to say, I personally very much hope that you will feel able to undertake this task.

The Briefing Session has been fixed now for the weekend of May 18th and 19th. I had hoped to have held it later, but I am afraid we should run into difficulties with the Institute's examinations timetable.

Kind regards,

Yours sincerely,

*A. R. Bullough*
