Dear friend,

It is thanks to your active cooperation that the standing commission meeting in Taipei came to such a successful conclusion. Your very warm hospitality made our stay in many ways an unforgettable one.

President Albert and I had the wonderful last-minute surprise of a first-class return flight. I cannot tell you enough how much we appreciated this thoughtful gesture, all the more so as our flight was delayed and we had to spend 5 more hours in the plane. Amsterdam airport was fog-bound and we had to fly a roundabout route. However, this did not dampen our enthusiasm.

I would like to take this opportunity of thanking you most sincerely for your kindness and courtesy. I can say without hesitation that this has considerably reduced the distance between our two countries. We are very much indebted to you and truly hope to have a chance to express our appreciation personally when we meet in Osaka.

My very best wishes for your health and all the best. With kind regards,

yours sincerely,

Daniel Sommer
