Dear Mr. Sommer,

In relation to the forthcoming elections for officer positions on the Administrative and Technical Committees of the International Vocational Training Organisation I am to inform you as follows:

- (i) Due to his impending retirement the Official Delegate Sean P. Ó Broin will not be available for election to any officer position.
- (ii) Due to change of duties and official commitments the Technical Delegate Liam Corcoran will not be available for election to any officer position.

Should either of these have received a nomination from another Member they should be informed so that they can acknowledge the nomination, thank the member concerned and explain the situation.

Yours sincerely,
