Dear Archie

Just a letter to thank you for all your help at the Skill Olympics.

To have both Tweedle Dum and Tweedle Dee as our leaders and friends was a great comfort and meant a lot to the team and myself! You and Martin are the best team leaders any team from any country in the world could ever wish for.

If I can ever give any help to the UK Skills organisation in the future, I would gladly do so.

*Yours Gratefully
P. Mott*

P.S. Could you forward me Antony's address in Taiwan - thanks.
