

As a valued member of the WorldSkills, UK Alumni we wanted to thank you for your support throughout 2010.

Without the passion, time and support that you dedicate in helping to promote the important role skills competitions play in raising standards and the esteem of vocational education – we simply wouldn't be able to carry out the wide range of work we do. We know its not always easy to take time out of your busy schedules but we really appreciate the contribution you continue to make.

We hope that you find being part of the Alumni an enjoyable and beneficial experience. With WorldSkills London 2011 just around the corner, we hope you will continue to work with us to make the most of the unique opportunity that the Competition will provide.

Thank you once again and we look forward to continuing to work with you throughout 2011.
