20th November 1984

Dear Mister General Director

I thank you for your letter of October 25th, and I confirm with pleasure the payments of SFr. 7'330.20 as annual contribution for the year 1984.

By this opportunity I would like to enclose a copy of my invoice dated ~~29.9.1983~~ 29.9.1983 for the participation during the member committee for the entering of Brasil.

It might be possible that you have never received this ~~invoice~~ of the amount of SFr. 10'304.--. That's the reason why in the future you will be receiving all the mail at your address.

I take the opportunity to thank you and your organisation for the kind invitation of our president to the competition of the South American Countries.

Wishing you all the best I remain

Yours faithfully

Daniel Sommer
Secretary-General
