24th, January, 1985

Dear Sir,

In answer to your letter of 7th January 1985, we are still in the early stages of selecting our potential candidates for the Skill Olympics in Japan.

Hopefully we will have an entry in each of :- Radio and T.V Repair, Cooking and Waiting, but until we see and test the applicants locally, we cannot commit ourselves. We do not intend to have any experts with them, just myself as a chaperon, and not having budgeted for the Amsterdam meeting we will not be able to attend there, but look forward to Bermuda being accepted at that meeting by the member assembly.

We are budgeting for the Osaka competition, on the assumption that we will have three entrants, plus one chaperon, and have noted the financial remittances and dates given by Shigeru Eda, the Official Delegate of Japan, in his letter of December 24th, 1984.

Yours sincerely

George Henderson
