Zurich, 18th June, 1984

Dear Sir,

Your letter of June 5, 1984, has been received and noted with much interest. It is a very positive factor that contact has been established between our organisations, as we have many interests in common.

I shall be very happy to meet Mr. W.F. Reed in Zurich coming July. However, as I am at present in military service, finishing on 7th July, I shall definitely see to it that Mr. Reed is met and that a discussion can take place, during which all relative documents as well as the invitation to the coming committee meetings in Switzerland in September 1984, will be handed to him.

I have studied the enclosures to your letter with great interest. I look forward to discussing details with you at some future opportunity and especially to mutually beneficial collaboration with your organisation.

Meanwhile, I remain,

yours faithfully,
