Dear Mr Sommer

Skills Olympics

I am aware of a couple of organisations approaching you regarding the Skills Olympics and officially representing New Zealand as a member of I.V.T.O.

Some background work has been completed and at this stage I have managed to obtain agreement (verbally) from the Vocational Training Organisation (VTC) and the New Zealand Employers' Federation that they would support the New Zealand Craftsman Training Foundation as being the official organisation to represent New Zealand.

Mr J Fraser (Chairman of the Craftsman Training Foundation) said that he had received a reply from you concerning Mr Bill Reed's visit and to this end a meeting is planned soon after his return.

I have written to Mr T Dusseldorp of Work Skill Australia, informing him of my letter to you and the organisation which is to represent New Zealand.

Many thanks for your letter of the 5th June 1984. The information has been most helpful in progressing interest in New Zealand becoming a member of I.V.T.O. and possibly participating in some way in the Skills Olympics in Japan in 1985.

Yours sincerely

Vaughan Crimmins
