Dear Sir,

As requested in your letter of 18th January last, we have sent to you by separate mail the desired reference document.

The trade description for Engineering Drawing, trade No. 5, is complete, i.e. contains sections A, B, C and D. Sections C and D will serve as reference texts for all the descriptions.

Trade 16 is not complete, only section B is available in English. For trade 35, waiter, the official trade description has not yet been published. As the Austrian national committee proposed this trade for demonstration and was officially accepted at the last competition in Linz 1983, they have undertaken to draw up the final document. As soon as it comes to hand, we will send it to you.

Trade 32 is upholstery, as you will see on the list of trades on the inside cover of the blue folders. There was no contest in this trade at the last competition on account of lack of interest on the part of participating countries.

We trust you will find our document in order. Please do not hesitate to contact us if you need any further information.

Yours truly,
INTERNATIONAL VOCATIONAL TRAINING
COMPETITIONS
