Competition Rules

23-02-1998

Dear Jim

Thank you for your fax of 19 February 1998 and your draft for a new Appendix 7 to the Standing Orders on Disciplinary Procedures.

I appreciate your quick reply with well thought-out ideas.

Your proposals will be discussed first by Mr. Franz Schropp and Mr. Don Hatton who will forward their proposals to the Executive Board and thereafter to the Technical Committee for discussion and for approval by the General Assembly in São Paulo.

I am sure that in São Paulo we will make a sound step towards a fair competition, which is vital for the future of the IVTO indeed.
