Dear Mr. H'su,

President Albert and I have returned to Europe safe and sound, still very much under the spell of the many interesting impressions and the wonderful things we experienced.

It is thanks to you that the last day of our stay was such a pleasant and interesting one. The closing ceremony of the competition for handicapped people will leave a lasting impression on us and the treasures we saw at the National Palace Museum have helped us to understand a little more of your magnificent Chinese culture. In spite of the distance which separates us, the Republic of China does not seem far away to us now. We regret, however, that our limited linguistic knowledge did not allow us to give expression to the appreciation we so spontaneously felt from the heart.

I sincerely hope that your study tour to Europe will materialise and that towards the end of May/beginning of June, I shall have the pleasure of welcoming you to our country. I shall also be very happy to be of assistance to you in drawing up your programme.

I enclose herewith - confidentially - copy of my letter to his Excellency Minister Lin Yang-Kan, who is responsible for approving your tour.

Please allow me to reiterate my heartfelt thanks for your kindness during our stay in Taiwan and accept my sincere regards.

Yours truly,
