Dear Tim

YOUTH SKILL OLYMPICS CLUB (YSOC) RECEPTION AT SKILL CITY; 15 NOVEMBER 2002

Following the success of the first Skills Show in July 2000 at Birmingham's NEC, we will be holding an event more than double in size and diversity of content at Salford Quays, Greater Manchester, from 13 to 16 November under the banner of SkillCity. There will over 100 skills competitions, some with European entries, and a great number of opportunities for visitors to learn about and try a wide range of different skills. You should have seen more about this in the summer edition of the UK SKILLS newsletter. The website www.skillcity.org provides further information.

I am writing to you to invite you to a reception that will take place at SkillCity on Friday 15 November at 4.00pm for all YSOC members, the 2001 Korea team, current experts, present and former staff of UK SKILLS and our Board. This will be an opportunity to catch up with friends and acquaintances at the same time as visiting what promises to be an amazing event.

I do hope you will be able to attend the reception. Please would you return the enclosed form **by 20 September** in order that we have an idea of how many people we can expect. If preferred, please call or e-mail Charles Turner on 020 7543 7437 or charlest@ukskills.org.uk. We will then be able to send you more details.

I look forward to seeing you at SkillCity.
