Now in their second year, these awards present a fantastic opportunity to recognise the achievements of Alumni members and their ongoing contribution in raising the value, awareness and participation in vocational and practical learning.

The WorldSkills, UK Alumni consists of past competitors who have competed at the international WorldSkills Competition.

Entries will be short listed using the award criteria and then judged by a panel of experts.

Please hurry as nominations close 1 September 2011.

Edge, the independent education foundation are very proud to sponsor the WorldSkills, UK Alumni. We believe that

there are many paths to success, and that all young people should be able to choose practical and vocational learning as a natural and respected route to success. There are so many ways that these talented people who have competed internationally at WorldSkills can use their expertise and experience to inspire and nurture others.

The WorldSkills, UK Alumni are fantastic examples of the sort of success that can be achieved, proving there is a huge amount of amazing talent across the UK. As positive role models, the WorldSkills, UK Alumni members can play an important role in inspiring young people to explore their own talents through hands-on and skills-related learning.
