Dear Roberto

Liam Corcoran from Ireland was calling and told me he was not able to send a fax or to give a phone call to your office. For this reason I'm telling you what Liam wanted to say:

1. *Both Delegates, Mr Liam Corcoran, Technical Delegate, and Carl Ó Dálaigh, Official Delegate, will participate on IVTO General Assembly and Congress in São Paulo.*
2. *The Official Delegate, Carl Ó Dálaigh, is willing to have a lecture on „Vocational Education“.*

Liam Corcoran wants you to give him your privat phone number (his private number is +353 44 404 19). He would like to speak with you about details. Liam appologizes for choosing this way of communication.

Best regards and wishes

Erika

Dear Roberto
Have you been able to speak with Liam?
Best regards
Erika
