NAME OF PASSENGER

Mr J. Cooper

*If the passenger's journey involves an ultimate destination or stop in a country other than the country of origin, the passenger must be advised of the conditions of carriage for that country.

The times shown are the *latest* at which you should arrive at the **Town Terminal** or **Airport**. This allows the minimum period necessary for completion of departure formalities for your flight, and if you arrive late you will not be allowed to travel on that flight. The time shown on the flight coupon is the *departure* time of the aircraft. If you must cancel your reservations, please give as much notice as possible. If you neglect to cancel or fail to check-in for your flight you may have to pay a no-show charge.
