Dear Archie. (Hi-de-Ri).

Thankyou for your letter.

I really enjoyed the trip and the experience of working under that kind of pressure. (Although at the time with my stomach Death would have been a good option). If in the future I or my family can be of any help to you please do not hesitate to contact us.

Many thanks for all you did.

Hope to meet you once again in the future

Best Wishes.

Tason.
