

Dear Mum Dad & Colin.

I'm sorry you haven't had
a card from me, but I
have been in Hospital for
1/2 days with some tummy
trouble & from I'm told, I start
work again today, and
I hope to make up time
we lost on Saturday.

Tuesday night we all went
to a feast with the
Mayor of Lisbon plenty of
good things to eat but
not for me the temperature
is now about 85°

Love Brian
