Dear *Archie*

International Apprentice Competition - 1968

May I on behalf of the United Kingdom National Committee thank you for the great assistance you gave once more this year in leading the British team to the International Apprentice Competition. The Committee was keenly aware of the sacrifice of time involved and is most grateful to you.

I have asked the Institute's Accountant to forward to you a small cheque which I hope will be an acceptable token of the Committee's appreciation.

Yours sincerely,

J.C.A. Mousley
Secretary,
United Kingdom Committee
