Dear Sir,

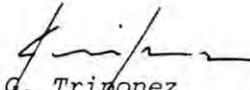

Through M. Sommer, I received your request for past International Electronic papers.

In fact, I only had in hand the files of 1981 and 1983 for the competitions respectively held in Atlanta and Linz.

I tried to collect other past papers and so, I can send you, unclosed, the documents of Korea (1977) and Irland (1979).

I hope this will be usefull for you and I wish you to make a success in your re-organisation.

Yours sincerely,

G. Triponez
