Dear Ardie

I hope all is well above the boarder and
that the cold weather isn't getting under your skin.
I do apologize in the delay in my reply, it
isn't that I had turned a blind eye to your
request, just that I have only just returned
from a four week holiday (Vacation) to the United
States, so please find enclosed one completed
questionnaire, and I hope that my comments will
be of use to you & Martin and to forthcoming
competitors.

May I take the opportunity in congratulating and
thanking you in your organisation and hard work,
it didn't go unnoticed by the host team.
If I can every be of any use in the

future, please don't hesitate in contacting me. I
hope to be involved in the Dutch competition
in '91

We must have a reunion ~~one~~ day of the
whole team.

I send you my best wishes
and see you soon I hope
