Dear Mr. Henderson,

Thank you for your letter of 19th December last, contents of  
which I have noted with much pleasure.

It is with satisfaction that we record your country's intention  
to become a member of our international organisation.

As I have told you in my letter of 19th November, 1984, our  
committees are due to meet in Amsterdam, Holland, at the end of  
March next and it is during the member assembly (in which delegates  
of the three committees participate) that your application will be  
registered and ratified. Invitations will reach you towards the  
end of this month.

I have also noted that you intend enrolling three competitors in  
the Osaka competition. As far as the technical experts are concerned,  
this is a matter for the technical committee to decide.

May I take this opportunity to wish you a successful New Year.  
Looking forward to meeting you in Amsterdam, I remain, with kind  
regards,

yours truly,

Daniel Sommer  
secretary-general

P.S. Your payment of SFR 1007.50 received this morning is  
acknowledged with thanks.
