21 October 2005

Dear Archie

On behalf of Belinda and myself I wish to take this opportunity to thank you for your time and contribution in making the 2005 National Final Competition at North Glasgow College such an outstanding success.

Belinda and I have received many complimentary comments about the event from competitors, visiting lecturers, sponsors, Board Members and last but not least the Principal and staff of the college.

The event did not come without its difficulties, particularly the weather and considering that the whole event, for the first time, was all in marquees. It is a tribute to the whole SKILLBUILD team and the staff of the college that the event opened on time. The Presentation Dinner at the City Chambers was a fitting finale to the whole event.

Reflecting over the whole year it has been very busy with the regional competitions, the National Final and for some involvement in the World Skills Competition with many people and organisations contributing to the success.

Planning for 2006 is well in hand with the National Final being held at Barnfield College, Luton, 11 – 13 October.

If you have any comments or observations that you wish to make about the 2005 events then please contact either Belinda or myself, we welcome your contributions.

Once again from Belinda and myself our sincere thanks for all your support both at Glasgow and throughout the year, and we hope you enjoyed SKILLBUILD 2005.

Kind regards

Yours sincerely

Barrie Roe MBE
Technical Director
